**Those currently not enrolled in “PAS” and “LSR coupled with PAS” must enroll by Friday, February 28, 2014.**

- \* If you are unsure whether you are enrolled in “PAS” and “LSR coupled with PAS,” please inquire with the Student Support Section at the Academic Affairs Division (TEL: 022-795-5822), or with the academic affairs section of your department administrative office.
- \* Students already enrolled in “INTERN-L” must also enroll once again in “LSR coupled with PAS.”
- \* **Students enrolled in other accident insurance or liability insurance are also required to enroll in “PAS” and “LSR coupled with PAS.”**  
However, students enrolled in “Comprehensive Insurance for Students lives Coupled with PAS” need not enroll in “LSR coupled with PAS.”
- \* JYPE and COLABS students (international students from partner universities studying at Tohoku University) are not required to enroll (as they have already enrolled at the time of enrolling into the university).

### How to Enroll

Please apply using a payment form.

1. Payment forms are available at the Student Support Section and at the academic affairs sections of all department administrative offices. (For only undergraduate students, the forms available also at Window No. 4 on the first floor of the Administration Office Building, Kawauchi-Kita Campus.)  
**Undergraduate students should pick up the payment form for undergraduate students. Graduate students should pick up the payment form for graduate students.**
2. For both “PAS” and “LSR coupled with PAS,” **the period of insurance is the period remaining until graduation from (the completion of) your current program.**

Period of insurance (Examples):

2nd year undergraduate student → Pay 3 years worth of insurance premiums.

4th year undergraduate student planning to go onto graduate school immediately after graduation → Pay 1 year worth, and when enrolling in graduate school, pay 2 years worth.

Student staying at the university beyond the years required for graduation → Pay 1 year worth at the time of exceeding the years required for graduation.

3. Please fill in the insurance amount by referring to the table below.

Insurance amount → Write down the total combined amount of “PAS” and “LSR coupled with PAS”

(Example: 1st year undergraduate student → 4,660yen)

“(Of which) LSR coupled with PAS” ((内)学研賠) in the Notes (備考) section → Write down the “LSR coupled with PAS” amount (Example: 1st year undergraduate student → 1,360yen)

4. Insurance premiums may be paid at the post office or at Window No. 4 on the first floor of the Administration Office Building, Kawauchi-Kita Campus. The day following the date of the money transfer is the start day of the insurance policy.
5. Only those enrolled in “PAS” may enroll in “LSR coupled with PAS.” **You cannot enroll only in “LSR coupled with PAS.”**
